Tim Tidwell **Target Market Specialist: Data Centers, Food Processing, and Logistics**

Tim Tidwell is a target market specialist for TVA Economic Development specializing in data centers and payment processing; food processing; and logistics, distribution, and warehousing. He has more than 20 years of experience in economic and business development in the public and private sectors.

Tidwell was previously an economic development consultant for the state of Tennessee and economic development marketing manager for the Nashville Area Chamber of Commerce. He also served as vice president of business development for Rentenbach Constructors in Knoxville, Tennessee.

Tidwell is a member and former president of the Tennessee Economic Development Council. He is a current member of the Council of Supply Chain Management Professionals, the Warehouse Education Research Council, the Southern Economic Development Council, and other professional organizations.

A graduate of the University of Tennessee at Martin, Tidwell earned a B.S. degree in business administration. He and his wife, Anne, have two children, Jake and Ellie. The family resides in Knoxville.
