

# Become a TVA Supplier

TVA buys over \$2 billion in goods and services each year. If you're seeking to become a TVA supplier, here are some facts you should know.

- TVA selects suppliers that can provide a competitive edge. It considers not just price but other factors, such as quality of inventory, just-in-time delivery capabilities, customer satisfaction, and safety record, to achieve the lowest cost and best value.
- TVA strives to maintain diversity in its supplier base by providing opportunities for qualified small, minority-owned, and woman-owned businesses.
- TVA promotes joint ventures, partnerships, and subcontracting relationships.
- TVA offers support services through its Supplier Relations organization, including guidance through the inquiry and bid process.

## Getting started

If you are not presently a TVA supplier but believe you have value to offer:

- Send an e-mail to [vendor2@tva.com](mailto:vendor2@tva.com) giving a brief description of your product or service.
- Go to [www.tva.com](http://www.tva.com) and choose the Supplier Inquiries link for additional information.

If you do not have e-mail capability, send your information to:
